The committee discussed this request and expressed concern that the municipal building may not be an appropriate site to accommodate the entire school population. Also, safety concerns must be addressed. The clerk was asked to contact the township's Risk Manager regarding a certificate of insurance and a 'Hold Harmless Agreement'. On motion by Mrs. Mackey, seconded by Mr. Herb and carried by unanimous favorable roll call vote, the committee approved the use of the Municipal Building as an evacuation site for grades Kindergarten through Third only, contingent upon the Risk Manager's approval of the executed documents as described above, and it will be limited to the upstairs foyer and meeting room only.
